Wooohooo!!!

Summer is here! I hope this finds you all smiling. A big thank you to Aurora for hosting our last meeting. Every detail and event planned was appreciated, intriguing, educating and lots of fun. Thank you.

Hard to believe the year is half over and we are getting closer to CAPT's 20 Year Anniversary celebration. We planned our normal July meeting, in Blackhawk at the Ameristar Hotel and Casino, where we will enjoy a plated lunch and a new program on Rental Housing and it's challenges.

Come prepared to enjoy the history of CAPT, a great presentation, a lesson on gaming and be prepared to bid on one of a kind baskets full of goodies from participating jurisdictions. We look forward to seeing you in Blackhawk!

AGENDA

Morning Training— Rental Housing/Property Maintenance Code Review

City of Westminster Lead Housing Inspector, Holly Clayton, will give us a glance into how Westminster has successfully implemented a Rental Housing and Property Maintenance code over the past 20 years. Learn how their Rental Code was created, tasked and is currently applied and enforced to ensure decent safe and sanitary rental housing for the citizens of Westminster.

Plated Lunch, Silent Auction and a fun activity planned for the afternoon.

This is your Chapter. Join us to celebrate the success of Permit Technicians. We have come a long way in twenty years.

HISTORY:

In April of 1998, a group of men and women with a common goal and a lot of enthusiasm held a meeting to share ideas and knowledge for a position called Permit Technician. There seemed to be a need for this group of individuals to come together and form an association. ICBO was in the process of creating a test for permit technician certification with the goal of moving this position into a more professional field.

Meetings were set up for the rest of the year and steering committees were formed to set up future goals. Incorporation came next and CAPT became an official corporation July 12, 1999.

To date we are over 90 members strong, a recognized chapter of the International Code Council, and dedicated to training and networking.

Silent Auction

There will be several unique baskets to bid on from jurisdictions across Colorado. Money raised from the auction will be used to offset the cost of the celebration and/or contributed to the homeless cause. Thank you to Arapahoe County, City of Black Hawk, City of Commerce City, Town of Erie, Jefferson County, City of Lakewood, City of Littleton, City of Loveland and the Town of Parker for donating baskets.

STHIGHLIGHT

MAY CAPT MEETING CITY OF AURORA

A huge thank you to the City of Aurora for hosting the May CAPT meeting. The staff at Aurora went above and beyond to accommodate a large group.

The training and field trip were exceptional and a lot of fun. A special thank you to Aurora Permit Technician, Dora Shols, for coordinating.

Guy McMann, Senior Building Inspector for Jefferson County, enlightened us on Commercial Kitchen Exhaust Systems. The slide show gave us a chance to visualize compliance and life safety issues in commercial venting.

The field trip was a step into Aurora's history which was extremely interesting and a great experience. The bus ride gave the passengers lots of time to get to know each other. Special thanks to our tour guides, who were very patient with the students who talked a tad much.

First stop, Freedom Memorial, followed by a visit to the Gaylord Hotel sales office where we viewed a model of the hotel and grounds. Last stop, the Stanley Market Place where we were able to walk around inside and even enjoy an ice cream cone at a shop.
