FROM THE PRESIDENT'S DESK

Hard to believe it's already Fall with Winter fast approaching. The November CAPT meeting in Erie is just around the corner. Hope to see everyone there for the ABM.

I enjoyed my year as CAPT President and will be ending it off with the ICC ABM in Clark County, Nevada in a few weeks. Having been involved in CAPT from the beginning, twenty plus years, experiencing the growth is accelerating! A new generation of Permit Technicians is evolving with the amazing efforts of Chapters throughout the USA. PermitTechNation has taken training to a new level making the Permit Tech position a stepping stone to whatever one sets their mind to do. Dream BIG!

This year, CAPT had 7 jurisdictions volunteer to host meetings. With a few board members stepping down, an opportunity arose and three new board members were nominated to serve on the 2020 board. All three mentored in 2019. How exciting is that!

The nominations for the 2020 CAPT board:

President, Melinda Helmer—Town of Erie

Vice President, Theresa Campbell—City of Loveland

Treasurer, Kimberly Segura-Bates—City of Lakewood

Board

Lorinda Abbott—Jefferson County

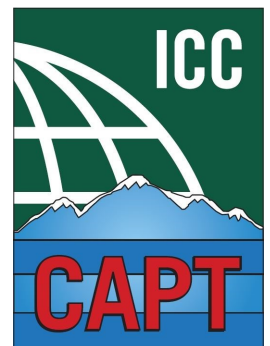

Sara Aragon—Town of Bennett

Jennifer Bigham—Town of Castle Rock

Join us in November to welcome this new board. Two-Thousand Twenty is going to be a spectacular year!

Leslie Carpenter

CAPT President

MARK YOUR CALENDAR—

**Wednesday, November 13, 2019
Annual Business Meeting**

**Town of Erie
Community Center
450 Powers Street
Erie, Colorado 80516**

Agenda

Chapter 3 of the 2018 IRC - PART III The final saga....

Presented by Glenn Mathewson

Part I and II were presented at the November 2018 and the May 2019 meetings hosted by the Town of Parker and the Town of Bennett. Building Planning—how to provide the necessary criteria for the design and construction of homes. This section is critical for design parameters such as geographic criteria, minimum room sizes, and construction geometry in features like stairways and guards. Chapter 3 sets the general requirements for how a home must be built for the safe use and navigation of the occupants and must be understood prior to applying the more specific code provisions in the following chapters. Learn or refresh the basics of home design in this unique course that covers all the sections of Chapter 3, some in depth and some with a general overview.

Please RSVP

**Darla Brooks
CAPT Program Chair**

dbrooks@arapahoe.gov

Registration Fee:

\$35.00 Cash or Check
Payable to CAPT at the
door (Registration Fee
Includes Breakfast,

Instructional
Material)

**Annual Food Drive—
this year CAPT is
collecting for shelter
dogs and cats. Bring
pet food, blankets
and towels to the
meeting and they will
be distributed to a
local shelter.**

JULY CAPT MEETING

Thank you, thank you to the City of Black Hawk, Janice Beecher and Cindy Linker for hosting another fabulous meeting. The drive up the mountain to the EOC was beautiful and the weather was perfect.

Black Hawk has become a tradition for CAPT. It gives us all a chance to enjoy the Colorado mountains while networking and training. We will be meeting again in Black Hawk in 2020. Venture out for this exceptional retreat opportunity.

Each year, the President of CAPT fills out an annual report to the ICC. In return, ICC sends CAPT a \$1200 voucher for training of our choice. We use this voucher to bring a day long training opportunity with top notch speakers. This year, we invited Sharon Bonesteel to teach Plan Review. I hope all that attended enjoyed the meeting and the topic.

2019 Donation

A huge thank you to Kimberly Segura-Bates for picking up school supplies as our 2019 donation. CAPT donated the supplies to Lasley Elementary School, located in Lakewood. The supplies were donated in memory of Gerry George's daughter Jamie, a school teacher, who passed away in 2018. The school was so thrilled to receive the supplies. Donations take pressure off the teachers, having adequate supplies for the children helps so much.

Don't forget this year's drive! Shelter Dogs and Cats – See you in November...
